See page 8, 9, & 10 for sermon schedule.
- The curriculum based on our sermon schedule is completely optional and any group that would wish to follow their own approved curriculum is welcome to do so.
- The schedule is much like the Wednesday Evening Schedule, we will be incorporating breaks periodically through the year.

the demands of sacrifice and ethical consistency from a man whose life and thought were exemplary articulations of a new type of leadership inspired by the Gospel, and imbued with the spirit of Christian humanism and a creative sense of civic duty.

- What is a healthy church- Mark Dever- What is an ideal church, and how can you tell? How does it look different from other churches? More importantly, how does it act differently, especially in society? Many of us aren’t sure how to answer those questions, even though we probably have some preconceived idea. But with this book, you don’t have to wonder any more. Currently the pastor and deacons are reading through this book together.
